Dear Supporter,

AK Bucking Bulls is a 501(c)(3) non-profit youth organization dedicated to keeping the future of bull riding alive. We proudly strive to encourage all ages to join. Our members range in age from 3 to 19 and include both, boys and girls. We are dedicated to providing a safe and friendly environment, where all members are treated like family and all animals are treated like pets. Every member of our organization has outstanding community skills and understands the teamwork that is necessary to continue furthering this sport.

AK Bucking Bulls is currently offering sponsorship opportunities for your business. We are a large organization of seventy members and growing. We participate in several events throughout the year and we feel that with your sponsorship, your business can benefit from this association's year-round events. Each month, AK Bucking Bulls hosts a rodeo event and even joins with PRCA events taking place. These locations are not limited to Southern California alone.

We also travel to other states as a large group representing California miniature youth bull riding. With multiple sponsorship options available, your business will receive great exposure and gratitude. Enclosed are various sponsorship options. Please take a moment to review and consider a tax-deductible contribution to our growing organization and to keeping the future of bull riding alive. For any additional questions, please feel free to contact me or the rodeo secretary, Ashley Chaffin at (951) 367- 4868. Thank you for your support and time. We know that without businesses like your own, our association would not be possible!

Thank you,
